RE: RENEWAL OF GENERAL AND SPECIALISTS PRACTICE LICENSES
FOR THE YEAR 2020

The above matter refers.

Your attention is drawn to the *Medical Practitioners and Dentists (Amendment) Act (2019)* which came into effect on 17th May, 2019.

The amendment, among other things, established two types of practicing licenses for doctors, namely:

1. General Practice License; and
2. Specialist Practice License

The Council further wishes to inform **ALL** doctors that the previous retention and practicing license fees have both been incorporated into either one of the two above-mentioned forms of licenses.

In the premise, you are hereby required to apply as per the prescribed form, via the online services portal (<http://osp.medicalboard.co.ke/>) for your 2020 licenses on or before 30th October, 2019.
