

KENYA MEDICAL PRACTITIONERS AND DENTISTS COUNCIL

REGISTERED AND LICENSED HEALTH FACILITIES 2023

The Kenya Medical Practitioners and Dentists Council is a body corporate established under Section 3 of the Medical Practitioners and Dentists Act (CAP 253, Laws of Kenya). The mandate of the Council is to regulate the training, practice and licensing of medicine, dentistry and oral health, and to regulate health facilities within the Republic of Kenya.

This is to inform the public that the Council has published the list of health facilities that are registered and licensed to operate in the country for the year 2023 at <https://kmpdc.go.ke/Registers/MTreg/facilities.php>.

Health facility owners and administrators are reminded:

- i. That it is an offence to operate a health facility without a valid license.
- ii. To engage only licensed practitioners who work within their scope of practice.

Members of the public are advised to seek treatment from health facilities that are registered and licensed to operate in 2023.

The registration and licensing status of a health facility can also be verified through SMS by sending a message:

H#Full Name of facility to 20547

OR

H#Registration number of facility to 20547
